Wed. & Fri. 10am - 12pm  
during SLCA scheduled  
events & by appointment  
FREE

**Lorraine Chesin creates modernist work that suggests the best of the 20<sup>th</sup> century's artistic evolution. Her spare images, created out of flattened planes, often obscure details, especially facial features.**

**What the viewer experiences is a beautiful arrangement of forms joined by an interlocking sense of color unity.**

**The result is the creation of objects as artistic expressions whose simplified images evoke rather than state meaning.**
